<< I M P O R T A N T >>

Dear Sirs,

I had mailed a new patent application to 'The Commissioner of Patents and Trademarks' on September 19, 2003 together with complete specification, drawings, 2 sheets of signed application forms, a draft No. TN145636, dated September 16, 2003 for the payment of the filing fee US\$375.00.

However, it has been about 10 months passed, and I have not received a filing receipt from 'The Patent and Trademark Office' for my patent application yet, and this is the reason why I cannot provide you with the serial number and the filing date for my patent application now. After checking with my bank recently, I knew that the above-mentioned draft had been credited by 'The Patent and Trademark Office' on September 26, 2003. (Please see an attached copy of the credited draft provided by our bank.)

Enclosed please find the following information for your convenience to check my patent application with your files or paper works so as to send me (1) the filing receipt and (2) the latest examination result (if any) as soon as possible. Many thanks.

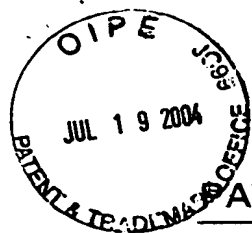

Enclosures:

- (1). a copy of an international express air-bill of AirBORNE EXPRESS showing my patent application was mailed on September 19, 2003;  
a copy tracking result of AirBORNE EXPRESS showing my patent application was delivered on September 23, 2003
- (2). a clear copy of the draft kept in my file together with a copy of the draft provided by our bank for confirmation of being credited by 'The Patent and Trademark Office'
- (3). 2 copies of signed application forms with clear inventor's name and address for your convenience to check whether the corresponding name and address are recorded correct or not (plus 2 copies of our mailing lists)

Look forward to hearing from you for replying the above-mentioned matter as soon as possible.

Your sincerely,

Yu-Pin LIN (LIN is the last name)
